REYNALDO'S

SMOKE HOUSE

Reynaldo's Smokehouse is a Tagaytay restaurant that serves American food with a twist. We use only the finest ingredients to create our dishes and we smoke our meats on-site to give them a unique flavor that you won't find anywhere else.

Founded in 2020 by the Fajardo and Lanting families, we wanted to bring the unique dining experiences we had travelling the world to our hometown of Tagaytay City in the Philippines.

Since then, we have become one of the up and coming restaurants in Tagaytay, known for its delicious food and cozy atmosphere. Whether you're looking for a romantic dinner for two, celebrating an important milestone in your life or you will just like to enjoy a lovely meal with family and friends - Reynaldo's Smokehouse is the perfect place for you.

We welcome you to our home and our family, welcome to Reynaldo's Smokehouse.

Please try our other exciting concepts:

Marj's Cafe is the most IG worthy Parisian themed cafe in Tagaytay.

Kape-Mo-To is a must-visit for anyone who loves bikes, cars, and coffee.
